COS Fall BBQ

Carmel Orchid Society 's annual BBQ will be held Saturday, September 9th, at 12pm at the home of Carol & Daniel. I have included directions to our house elsewhere in this BackBulb. In case the driveway is full, just past our house on the left is a field where you may park.

This a potluck so please bring a dish to share, (with serving utensil) either a salad, an appetizer or a dessert. The Society will be providing the main course – beef brisket smoked by Carol & Daniel. Also bring a beverage of your choice, in other words, BYOB, we will have glasses (plastic) for you and an ice chest to keep your drinks cold.

The party will take place on our deck and hopefully it will be sunny. If you happen to have a folding chair or two it would be appreciated if you could bring those. You might also think about wearing socks with no holes in!!! We just had new white carpet installed.

We are going to have a great plant table. The Board has gone to the ends of the earth to buy these plants. So, bring money too, to buy raffle tickets.

All kidding aside, please come and join us for good food and a visit with your orchid friends. And – you never know what you will go home with, other than a dirty dish that is.
